

Falkland Islands Government – Job Description

Job Title:	Planning Officer		
Department:	Development & Commercial Services	Section:	Planning & Building Services
Reports to:	Head of Planning & Building Services		
Grade:	Falkland Islands Government Grade – C	Job Code:	616PO1 / 616PO2

Job Purpose

To support the Head of Planning and Building Services in the provision of advice to the Falkland Islands Government in relation to land use planning matters and the preservation, protection and improvement of the environment. In the provision of such advice, to seek to maintain a proper balance between the sustainable, economic and social development of the Islands and the preservation of the natural and historic environment.

Main Duties & Responsibilities:

Support the Head of Planning & Building Services to discharge the requirements of the Planning Ordinance 1991 by performing the following tasks:

- ❖ Offer a pre-application advice service for planning proposals, interpret legislation and advise on the need for planning consent. Negotiate with applicants, and or their agents, prior to the submission of an application.
- ❖ Oversee the development management administrative functions of the department including the validation and registration of planning applications and the plotting of development sites and the updating of public registers. Ensuring that all relevant information and fees are submitted in accordance with statutory requirements and advise applicants/agents of any alterations or further information required for acceptance of complete planning applications.
- ❖ Responsible for processing and making recommendations on planning applications, including householder, commercial applications, advertisement consent, change of use, certificates of lawfulness, EIA applications and Listed Building applications etc and other types of application including arrangements for consultations and publicity, discussions with applicants, statutory and non-statutory consultees and other interested parties, site inspections and ensuring that personal performance assists in securing all departmental performance indicator targets.
- ❖ Lead on negotiations on design and other improvements to development proposals to secure a high standard of design and development for the Falkland Islands.
- ❖ Prepare reports and make recommendations on planning applications for consideration by the Head of Planning and the Planning and Buildings Committee as per the scheme of delegation.
- ❖ Attend and oversee the facilitation of the Historic Buildings Committee, including presenting listed building applications, processing historic buildings grants and keeping up to date budgets.
- ❖ Attend and present at Planning and Buildings Committee as required.
- ❖ In consultation with the Head of Planning & Building Services deal with post-decision matters such as discharge of conditions, advise on re-submissions, minor amendments, and prepare appeal statements.
- ❖ Contribute to the monitoring of developments and the enforcement of planning control, liaising where necessary with Legal Services in the exercise of the Governments enforcement powers.
- ❖ Contribute to the preparation of master plans and design guidance for key sites and special topics.

Falkland Islands Government – Job Description

Job Title: Planning Officer

Main Duties & Responsibilities: (continued)

- ❖ Undertake analytical work which informs the formulation of planning policy working with other departments, agencies and organisations where necessary.
- ❖ Assist in preparation of evidence for local plan examination.
- ❖ Assist in monitoring and reporting on progress of adopted plan, policies and performance targets.
- ❖ Attend internal and external meetings as part of collaborative working on planning policy development with relevant internal and external stakeholders.
- ❖ Organise and co-ordinate public meetings and consultation events
- ❖ Project manage own workload, taking into account performance targets to ensure the continued delivery of an effective and efficient Planning Service.
- ❖ Maintain accurate and reliable records in relation to casework and planning advice enquires.
- ❖ Remain up to date with and knowledgeable of relevant legislation and case law, using that knowledge in dealing with planning work and in assisting with enforcement where necessary.
- ❖ Contribute to the delivery of the Business and Service Improvement Plans and any other departmental performance frameworks as required.
- ❖ Handling payments, raising orders or processing invoices in a particular area as required.
- ❖ Support a customer focused culture in service delivery by adopting a customer focused approach to clients by providing a prompt, helpful and courteous response to calls on the service by members of the public, Government members, and internal colleagues.
- ❖ Support and mentor junior staff.

General Accountabilities:

To ensure that all information received and disseminated, whether verbal, written or electronic concerning all employees, prospective employees or service users is treated in the strictest confidence and that all such information held is regulated and controlled in a similar manner in compliance with Falkland Island legislation.

To ensure that all duties and responsibilities are performed in a safe manner so that no risk to health and safety arises to yourself, any other employee or member of the public.

Complexity & Creativity:

The post holder will be responsible for advising on a range of planning applications that may often be controversial. Planning applications often demand the ability to balance a number of complex views/policies and guidelines. Negotiated amendments require creative alternatives to be developed. During the processing of planning applications there will be many problem – solving opportunities and good negotiation skills will need to be employed. The post holder will need to demonstrate an aptitude in these areas.

The post holder will play an important role in supporting the Head of Planning & Building Services. This will require an overall understanding of the role of the department in delivering high quality customer focused outcomes.

Job Title:	Planning Officer
-------------------	------------------

Judgement and Decisions:

The post holder will frequently act on his/her own initiative. They will be responsible for drafting reports to the Head of Planning & Building Services and to Planning and Buildings Committee with recommendations requiring balanced judgments. They will require the confidence to represent the interests of the Planning & Building Services department outside the unit and to give sound advice on the planning aspects of enforcement.

The post holder will be expected to make a positive contribution to the continuous improvement of the planning service. They will also play an important role in supporting and developing more junior members of the department.

The job description is not an exclusive or exhaustive definition of your duties. You shall undertake such additional or other duties as may reasonably be required by FIG commensurate with your role and grade.
