

Harborough District Council General notes for candidates

Application Forms

Where application forms are required, please note that covering letters, summaries, copies of qualifications, etc. are not accepted. All sections of the application form must be completed in order that candidates' details can be fairly compared. Supplementary pages may be included as continuation sheets.

Completion of separate application forms for each vacancy being applied for is required.

CVs

Where CVs are accepted they should include two referees, one of which must be your previous or last employer, and be accompanied by a short supporting statement outlining what makes you the right person for the role. A separate statement should be provided for each vacancy being applied for.

Spent convictions

Certain posts with the Council are classified as those for which applicants must declare all convictions, whether or not they are 'spent'. If the post for which you are applying is of this type, you will be aware of this as the post will be subject to a DBS check.

Canvassing members

Canvassing of an elected member of this Council, either directly or indirectly in connection with your application will disqualify you as a candidate. Failure to disclose your relationship with a Councillor or employee of the Council may also disqualify you and if such a failure is discovered after appointment, you may be liable to dismissal without notice.

The shortlisting process

Your application form or CV and supporting statement is used by the recruiting officers to shortlist against the person specification for the post. In order to maintain a fair and objective process the shortlisting process can only take account of the information provided on the application form, CV or supporting statement. No assumptions will be made so **candidates are responsible for ensuring they clearly demonstrate how they meet the person specification criteria.**

If you have not heard from the Council within three weeks of the closing date you must assume you have been unsuccessful. You may ask for feedback from recruiting officers after this time.

The Interview Process

The length and complexity of the selection process will be relevant to the level of skill and experience required for the position to be filled. In addition to a formal interview other selection techniques such as personality and aptitude tests, in tray exercises, word processing tests and technical tests may be used, if appropriate. If invited for interview you will be advised of the process in detail.

Interview questions will be pre-determined to assess candidates against the person specification and requirements of the job description. The same questions will be asked of all candidates; with the addition of supplementary questions where clarification is required.

Interview Panels will consist of a minimum of two people (for senior posts it may be more and can include Councillors). All interviewers will be assessed and monitored by the Human Resources Team to ensure that they are competent in interviewing techniques and knowledgeable of procedures.

Where reasonably practicable we will personally contact all candidates within three working days of interview to notify them of the outcome. This will be verbal or in writing.

If you require any special arrangements or adjustments to be made for your interview, please let the Human Resources department know when you are invited for interview.

Conditional Offers

The successful candidate will be contacted by the recruiting manager. Any offer of employment will be conditional upon the completion of all relevant checks to the satisfaction of the recruiting manager, e.g. references, medical checks, DBS checks, police vetting checks, evidence of qualifications. A conditional offer letter and conditional statement of terms and conditions of employment is given to the successful candidate. We aim to do this within five working days of a verbal offer.

GDPR

Under General Data Protection Regulation, application forms for unsuccessful candidates are destroyed 6 months after the short-listing process.
