Criminal Background Check

Safeguarding children and adults is of utmost importance to Hertfordshire County Council. The Council requires employees to abide by legislation and best practice to enable Hertfordshire to achieve this. This role has been identified as requiring a Disclosure & Barring Service (DBS) check or Basic Disclosure. You must therefore ensure that any relevant criminal record check application is completed and returned as requested by the Council, as this is deemed a contractual requirement of employment. In addition, you consent to allow the Council to retain a copy of the disclosure certificate within your personal file.

It is a contractual obligation to disclose any cautions, reprimands or convictions and to update your manager of any changes to your status whilst in employment. Enhanced DBS roles will be reviewed periodically during employment, by means of DBS Dip Sample or three yearly rechecks. Failure to disclose changes to your status may be detrimental to your employment and you may be subject to disciplinary action.

Please note that additional information referring to the check is in the guidance notes to the application form. If you are invited to interview you will receive more information.

Diversity and Inclusion

Hertfordshire County Council is committed to making inclusion part of our DNA, both as a large employer of people and as a provider and commissioner of services.

We strive to positively promote diversity and inclusion across the delivery of services and within our workforce. We want everyone at work, regardless of their background, identity or circumstances to have a sense of belonging to the organisation. We want all employees to feel valued, accepted and supported to succeed at work and reach their full potential. Our Diversity and Inclusion Strategy is available on the internal intranet or from your line manager.

Health and Safety

It will be the duty of every employee while at work to take reasonable care for the Health and safety of themselves and of other persons who may be affected by their acts or omissions at work.

Additional Information: Code of Practice on the English Language Requirements for Public Sector Workers

Public Authorities must ensure that all members of staff in customer facing roles, whatever their nationality or origins, are able to communicate the English language fluently with the general public, verbally and in written format (access needs will be met for those with a disability)
