An Introduction to the Chingford Academies Trust

A warm welcome to the Chingford Academies Trust, where we provide students with an excellent secondary education. The two secondary schools challenge and extend students of all abilities and backgrounds and prepare them to contribute positively to the communities in which they live.

Our commitment to quality, achievement and the 'comprehensive ethos' makes our schools the natural first choice of students, parents and staff in the local area who are keen to contribute to the successful development of tomorrow's young citizens.

We are proud of recent developments to provide educational spaces for our expanding roll that create a sense of wonder and awe at Chingford. These have included the Clive Moore Sports Hall, our Arts Centre, state of the art Library facilities, additional classrooms and external recreation areas. We are further developing our site with an extension to our Science facility which will be ready in September 2020.

At South Chingford Foundation School, we offer a smaller learning environment 'where everybody will know the student's name' and the support will be individualised to inspire students to make excellent progress. There is a thriving extra-curricular programme including and externally funded Saturday School which is well attended.

Our strengths, including what Ofsted say about our schools:

The Schools serve a diverse community and are inclusive in their approach.

Pupils say that they are encouraged to respect others and treat everyone equally.

Behaviour in lessons is calm and purposeful. It contributes to an atmosphere where pupils are able to engage in their learning.

Pupils are proud of their school. They behave well around the School and in lessons. They are cheerful, polite, helpful and very supportive of each other.

Many pupils choose to stay on in the Sixth Form. A student explained "We stayed because our Sixth Form has a good reputation."

Parents, carers and staff are overwhelmingly positive about the Schools' work.

Positive relationships between teachers and pupils underpin engaging and effective learning.
