Equality and Diversity

We expect all employees to act professionally and to treat colleagues and the public with dignity and respect. This means setting a strong personal example of good equality and diversity practice at all times and ensuring they are sensitive to the needs and views of others and reflect this in the way they behave. Managers have additional responsibilities of managing others effectively by recognising and valuing each team member as an individual and always challenging inappropriate language and behaviour.

Health and Safety

We all have a responsibility to work within health and safety legislation, associated codes of practice, North Somerset Council's policies and procedures and our local safe systems of work and emergency arrangements.

Continuous Development

Our jobs and the way we do things evolve over time and we need to keep abreast of new technologies, legislation and methodologies for our own subject areas. We are responsible for reviewing and developing our own professional practice.
