

JOB DESCRIPTION

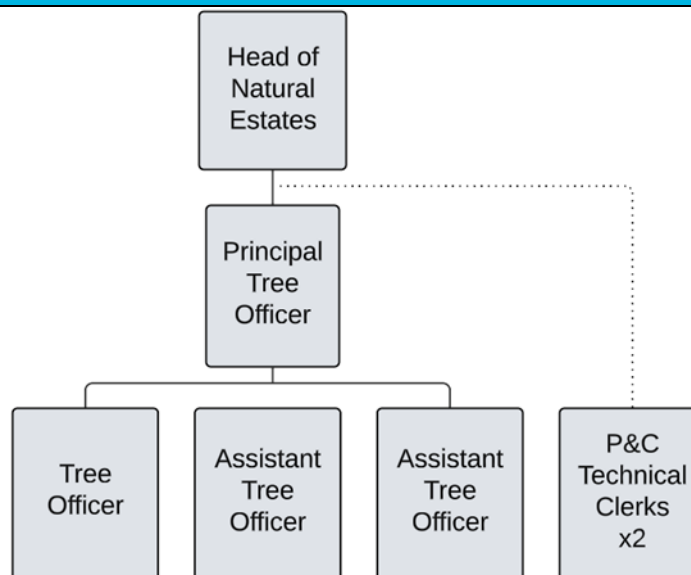

Job Title:	Principal Tree Officer		
Directorate:	Place, Planning & Regeneration	Salary:	£37,261 - £42,503 + £663 London Weighting + £963 Essential Car User allowance
Section:	Parks & Countryside	Grade:	BG-F SCP 31-36
Location:	Time Square	Work Style:	Flexible

Key Objectives of the role

To manage, supervise and take overall management responsibility for the arboricultural team providing a professional technical service on all tree related matters within Bracknell Forest Borough Council.

To plan long term and develop the appropriate strategies to ensure the protection and enhancement of the trees within the borough and the Council's tree stock and to ensure compliance with agreed policy and relevant legislation.

Designation of post and position within departmental structure

The post reports to the Head of Natural Estates in the Parks and Countryside Service. The post line manages a Tree Officer and two Assistant Tree Officers. The tree team are supported by two Technical Clerks.

Daily and monthly responsibilities

- To advise the planning team, Councillors and Committees within the authority on the impact of development proposals on existing landscaping and tree matters. To advise on the need for the relevant conditions to be attached to planning consents to safeguard existing vegetation and trees and promote new planting on developmental sites.
- To manage the TPO process including to represent the authority at court proceedings, planning appeals, public enquiries, inter department and organisational meetings as an expert on tree and landscape issues both within and outside of the normal working office hours.
- To lead and manage the tree team in an efficient and effective manner and in accordance with good practice and to monitor performance.
- To manage the Council's trees to the highest standards within the resources available taking into account safety, quality of life and tree protection issues.
- To draw up works schedules, arrange, supervise and monitor contractors.
- To ensure that robust health and safety procedures are in place and regularly reviewed and updated to protect employees and members of the public.
- To advise on and implement IT systems for management of the Borough's tree stock.
- To seek adequate funding for the effective management of trees and tree services by application to outside funding sources as well as through the Councils internal budget processes.
- To ensure high standards of customer service, encourage community involvement and establish procedures for public consultation.
- To establish and maintain systems for monitoring performance, to achieve quality standards and best value and take a lead role to champion continuous development and improvements within the service.
- To influence the direction of relevant plans, policies and strategies that affect trees.
- To undertake such other duties as may be required from time to time compatible with the nature of the post.

Scope of role

- The management of a team of three Arboricultural Officers.
- To assess the visual contribution to the environment made by trees in the Borough and having given regard to their condition and location, tree preservation orders and other factors, assess their value and contribution to the environment, securing their protection and retention in the public interest.

- Management of income and expenditure budgets relating to trees and professional services provided. The budget includes approximately £100,000 of tree works per annum, with re-charges to other council departments and schools.

Commitment to the Council's Equal Opportunities policy at all times

Commitment to working within the bounds of the Data Protection Act and GDPR legislation at all times

Such other duties as may from time to time be necessary, compatible with the nature of the post. It should be noted that the above list of main duties and responsibilities is not necessarily a complete statement of the final duties of the post. It is intended to give an overall view of the position and should be taken as guidance only
