# Executive Director's Welcome

Dear Candidate

Thank you for your interest in our position. This is an exciting opportunity to join our dynamic team, here at Bracknell Forest.

This role sits within the People directorate where there are six key departments: Adult Social Care, Children's Social Care, Commissioning, Early Help & Communities, Education & Learning and Public Health.

Our vision is to provide the best possible opportunities for the people in our community. This could include the support we provide to schools or our new services to increase connectivity to the community. We work in close partnership with local organisations such as in health and housing, with a strong focus on prevention and proactivity. Our ambition is for everyone to be able to access the right opportunities that they need to thrive. With real outcomes for real people at the heart of every service we provide, our goal is to keep more families safely together and, by providing the right support at the right time, enable people to live as independently and well as possible, for as long as possible.

In the same way that our community is diverse, we seek to be inclusive in our own teams. Our employees are motivated to have an impact on the community, and we look for individuals who are proactive in developing and improving our practices. We believe our staff are our greatest asset and are seeking talented and dynamic individuals with the experience and drive to help us achieve our vision.

I hope that the information in this application pack will be useful in supporting your application with Bracknell Forest Council.
